

# Good Creation & the Fall

Our Creator, the Lord Jesus Christ, spent six days creating the entire universe, from far-off galaxies to the leaves on our trees. He created plants and animals to fill the earth's land, sky, and sea. He also made the first people, Adam and Eve, in His image.

When Jesus finished making everything during the creation week, He declared it "very good." But Adam and Eve chose to disobey God. Because of their sin, He cursed His beloved creation.

- ✓ God created the heavens and the earth, and He made it all very good.
- ✓ God created humans in His image.
- ✓ God gave Earth special features no other planet has.
- ✓ God cursed the world because of Adam and Eve's sin—this is called the Fall.
- ✓ The Fall caused thorns, thistles, and other harmful things to happen in God's creation.
- ✓ Creation will not be perfect again until Jesus comes back and makes everything new.

## The Fall

God's original creation was very good. But sin and death entered the world when Adam and Eve disobeyed God. God cursed the earth, and that changed the whole creation. People have to fight thorns and thistles and other troublesome plants when they grow food to eat. And people sometimes get sick or behave badly, and animals sometimes attack other animals. Romans 8:22 says that creation is groaning, waiting for God to make it new. At the right time, Jesus will do just that.
